

## LIME GEL

### Heavy Duty Hand Cleansing Cream with Cornmeal Scrubbing Agent

LIME cream is formulated from natural citrus oils and constituents for safe and effective skin cleansing.

Eco-friendly cornmeal scrubbing agent is added for thorough, yet gentle cleaning action.

LIME gel contains no harsh petroleum solvents, but is a water based blend of non-ionic surfactants, and natural solvents.

LIME gel is an effective heavy duty hand cleaning product which will remove heavily ingrained oil, grease and heavy soiling. It is thus suitable for use in all arduous engineering applications, such as garages, factory maintenance departments, etc., and wherever hands are heavily soiled with industrial, constructional or agricultural grime or grease.

#### Applications:

Use in garages, workshops, maintenance departments, quarries, factory production washrooms, off site workings, etc.

**COSHH Data:** An EC safety data sheet (MSDS) providing additional information is available on request.

#### Packaging Sizes:

- 6 x 1 litre refill cartridges for use in wall-mounted 1 litre cartridge dispenser
- 4 x 4 litre refill cartridges for use in wall-mounted 4 litre cartridge dispenser
- 4 x 4 litre free-standing pump bottles.
- 4 x 5 litre jerrycans
- 15 litre pail
- Bulk-fill dispensers available

#### Benefits of using LIME cream:

Removes heavy duty contaminants such as mineral and lubricating oils, grease, rust, tar, bitumen, graphite, metallic dust, carbon black, grass stains, etc.

- Powerful cleansing action
- Cleans without irritation
- Exceptionally kind to the skin
- Biodegradable
- Alkaline-free
- Pleasant lime fragrance
- Imparts a pleasant feel to the skin
- Gives a rich, deep cleansing lather
- Thoroughly economical and thus viable
- Uses eco-friendly cornmeal scrubbing agent
- Easily shifts stubborn contaminants
- Suitable for use in a wide range of production processes
