Extra Heavy Duty

ULTRA GEL

Extra Heavy Duty Hand Cleaner with Pumice

Opus ULTRA is an effective water based blend of natural solvents and surfactants formulated for use as an extra-heavy-duty skin cleanser, incorporating Italian pumice for enhanced skin cleansing. Available as part of the Opus cartridge dispensing Systems or in traditional 4 litre free-standing pump bottles, as well as 5 litre and 15 litre pails.

ULTRA gel will remove heavily ingrained oil, grease and other heavy soiling contaminants. It is thus suitable for use in all arduous engineering applications, such as garages, factory maintenance departments, etc., and wherever hands are heavily soiled with industrial, constructional or agricultural grime or grease.

Opus ULTRA is pleasant to use as well as being kind to the skin despite its power.

Benefits of using ULTRA

ULTRA removes heavy duty contaminants such as mineral and lubricating oils, grease, rust, tar, bitumen, graphite, metallic dust, carbon black, grass stains, many types of paints adhesives, inks and resins, etc.

Applications:

Use in garages, workshops, maintenance departments, quarries, heavy industrial and engineering, building and construction, oil & gas Industries, chemical plants, painting & decorating, farming, marine environments, etc.

MSDS Data: An EC safety data sheet providing additional information is available on request.
